Restoration London : Everyday Life in the 1660s: Picard ...

Fantastically interesting and breezy read about life in London, 1660-1670. The author does a great job of describing what daily life was like for Londoners of all socio-economic groups. She has a very sly sense of humour, and because she covers a relatively short period of time, is able to cover a lot

The English Restoration begins - HISTORY

1660-90. By W. C. Sydney. (Ward and Downey.)—It is difficult to understand some phases of that extraordinary carnival of morals and manners that followed the Restoration of Charles II, and almost impossible to avoid exaggeration in attempting to depict the actual life of that day. There are some graphic pages in Mr. Sydney's volume, pages that bring striking scenes before us, with much of th

Making use of every possible contemporary source, Liza Picard presents an engrossing picture of daily life in London in the decade between 1660 and 1670: the streets, houses and gardens; cooking, housework, laundry and shopping; clothes and jewellery, cosmetics and hairdressing; medicine, sex education, hobbies and etiquette; law and crime, religion and popular belief.

Restoration London: Everyday Life In London 1660

Elizabeth's London is an entertaining account of everyday life in Elizabethan London. The level of interest I had varied throughout the book; I found myself less drawn into the earlier chapters about the built environment than into later chapters about Elizabethan law, the welfare system, although the information about water transportation on the Thames, the streets, and other aspects of life in the city were still interesting.
